

THOMPSON IS ELECTED MAYOR OF CHICAGO

DEFEATS SWEITZER BY AN ESTIMATED PLURALITY OF 130,000

Returns Indicate That He Carried Entire Republican City Ticket to Victory—Baumann Defeats Schnepf In Springfield—Peorians Elect Woodruff—Dry Forces Vote 100 More Saloons Out of Illinois.

CHICAGO, April 6.—William Hale Thompson was elected mayor of Chicago today by an estimated plurality of 130,000. Returns from 1,490 precincts out of 1,566 indicated that he had carried the entire Republican city ticket to victory.

Eighty-Five Percent of Vote Cast.

Women voted for the first time at a mayoral election in Chicago and incomplete returns showed that the relative percentages of men and women voters received by Thompson and Robert Sweitzer, the defeated Democratic candidate, were approximately the same. About 85 percent of the three quarters of a million votes registered were cast. According to election officials this would set a record.

Some wards hitherto considered strongly Democratic were carried by the Republican candidate and Sweitzer's own precinct in the heart of one of the West Side Democratic strongholds was carried by Thompson by 300 to 238.

Sweitzer Congratulates Thompson. Sweitzer and his managers conceded the election to the Republicans early in the evening and left their headquarters. Before going home Sweitzer sent his successful rival a telegram in which he said:

"Congratulations on your victory. It was conclusive."

In a speech to a crowd of his followers Thompson reiterated one of his pre-election pledges. "My first official move," said Thompson, "will be to have my chief of police drive the pickpockets and thieves out of Chicago."

Political writers were divided tonight as to the cause of Thompson's sweeping victory. In an election, which was expected to be close, in an interview yesterday Mayor Carter H. Harrison, who was defeated when he sought to be renominated for a sixth term, declined to say how he would vote, although the Harrisons have been Democratic leaders in Chicago for generations. Many were inclined to believe this indicated Harrison followers would cast their votes for Thompson.

City Council Probably Republican. The city council probably went Republican, which would be the first time in years.

The Socialist vote apparently was smaller than predicted by party leaders. The returns indicated that the total Socialist vote in the city would not exceed 20,000. Seymour Steadman was the Socialist candidate for mayor. The prohibition party candidate, John Hill, ran far behind the Socialist candidate.

Thompson was born in Boston, Mass., in 1868, and was brought to Chicago by his parents in the following year. In a biographical sketch which he issued prior to the election he stated that as a boy he sold newspapers and later went to Wyoming and worked as a cowboy and a brakeman.

He received much of his education in the public schools and later entered Yale university.

He is a dealer in real estate, having succeeded to the business of his father.

Mr. Thompson served several terms in the city council. When in the council he sponsored an ordinance to permit boxing contests.

The total vote on mayor, with only one precinct missing according to the police returns was:

	Men	Women
Thompson (Rep)	246,117	144,574
Sweitzer (Dem)	162,074	89,128
Stedman (Soc)	16,013	7,813
Hill (Prob)	1,888	1,707

Total 426,092 243,217
Total registration 769,106
Percentage of possible votes cast, 87.

Percentage of votes cast by women, 36.
Percentage of women's votes for Thompson, 60.
Percentage of women's vote for Sweitzer, 38.

Baumann Defeats Schnepf. Springfield, Ill., April 6.—Figures of the election commission tonight indicated that Charles T. Baumann, a druggist, was elected mayor over Mayor John S. Schnepf by 20 votes in the closest election in the history of Springfield. The count was Baumann 9,812, Schnepf 9,792.

Friends of Mayor Schnepf said the election would be contested.

The following were elected city commissioners:

Frank M. Hamilton, Roy R. Reece, J. Emil Smith and Willis Spaulding.

Woodruff Is Re-elected. Peoria, Ill., April 6.—Edward N. Woodruff, Republican, who is just completing his fourth term as mayor of Peoria, was re-elected today by an estimated plurality of seven thousand votes. Ralph C. Lowes, the law enforcement candidate, received approximately 5,800 votes and James M. Shea, Democrat, received approximately 5,100. The entire Republican ticket was elected. Tonight the demonstrations are the wildest witnessed in Peoria in years. The election was the first under the new city election law.

Jones Defeats Rodgers. Bloomington, Ill., April 6.—The first election of Bloomington under the commission form of municipal government was held today and resulted as follows:

Mayor—E. E. Jones, 4,545; J. W. Rodgers, 4,662.

Commissioners—R. L. Carlock, 5,370; J. E. Anderson, 4,976; A. G. Erickson, 4,414; E. R. Morgan, 4,236; L. P. Rittmiller, 4,129; W. H. Kerrick, 3,382; Mrs. Guy McCurdy, 3,381; G. W. Monroe, 3,216.

Women Elect Professor. Galesburg, Ill., April 6.—Women voters elected Dr. John L. Conger, Knox college professor of history and government, mayor of Galesburg today. He defeated Fletcher Carney, an attorney, by a majority of 248. Galesburg has the commission form of government.

East St. Louis Fight Close. East St. Louis, Ill., April 6.—In East St. Louis complete but unofficial tabulated returns declared Fred W. Moolman of the "Greater East St. Louis Party" victor in a twenty-seven over John M. Chamberlain, the present mayor.

Vote Out 100 More Saloons. Chicago, April 6.—The dry forces voted 100 more saloons out of Illinois in the local option elections today and by wiping out certain wet spots added three counties to 52 already completely dry—a total of 55 counties out of 102 in the state.

The wets retained the largest cities where local option was an issue Danville, Murphysboro and Kankakee remaining wet by larger majorities than at the previous elections. The township of York, including the village of Lombard, went dry by a majority of 38 votes. In the township of Atkinson in Henry county, the fight was so close that at midnight it was reported to have gone wet by a majority of only one vote. There were 359 saloons involved and as 100 of these will have to go out of business the dry forces hailed the result as a victory.

The three counties which became completely dry, were Franklin county, in which the township of Warren went dry, Marion county in which Centralia and Sandoval were wet spots and Jasper county, of which St. Louis township in the city of Newton were wet spots.

Elect Non-Partisan Mayor. Freeport, Ill., April 6.—H. H. Stahl, a non-partisan candidate was elected mayor of Freeport today by a plurality of 1,437 over P. F. Schryer, Democrat.

Pawnee Goes "Dry". Chicago, April 6.—Pawnee, in Sangamon county, went "dry" today by a majority of 114. There are four saloons in Pawnee. Four more saloons must close in Hampshire, Kane county, as a result of the vote there, the drys winning by a majority of 53.

Gridley in McLean county went dry by a majority of 85 and two wholesale or "gallon houses" were affected. Galacia, Saline county, voted dry by a majority of 150. Galacia had no saloons.

Mt. Sterling remained dry by a majority of 99.

Three Townships Vote "Wet". Kankakee, Ill., April 6.—Kankakee township today voted wet by 2,379 majority. Sumner township voted wet. Bourbonnais township gave a wet majority of 600.

Pontiac Votes "Dry". Pontiac, Ill., April 6.—Pontiac township voted "dry" today by a majority of 850. Nine saloons are affected.

Lombard Goes "Wet". Chicago, April 6.—The village of Lombard, a suburb on the western

outskirts went "wet" today by thirty-eight votes having been "dry" heretofore.

Many Towns Vote "Dry." East St. Louis, Ill., April 6.—The dry forces were victorious in most of the central and southern Illinois cities where local option elections were held today. The women divided their ballots almost evenly between the two issues.

Centralia, Ill., wet for sixty years was voted dry by a majority of about 300. Almost five thousand votes were cast. Thirty eight saloons will be put out of business. Central City and Sandoval nearby, also were voted dry.

In Johnson City the drys won by about seventy-five votes. Pontiac township, in Livingston county was voted dry by 850. Cullom is the only town remaining wet in the county. Stanton township the only wet spot in Champaign county, was voted dry by the women's vote.

The wets were victorious in Murphysboro by a majority of 715. The women's vote was 1,579 dry, 1,009 wet; the men voted 881 dry and 1,645 wet.

Votes to Remain "Dry." Chicago, April 6.—The city of Berwyn, a suburb in Cook county, voted to remain dry 1,358 to 341.

Two Vote to Retain Saloons. Elgin, Ill., April 6.—Dundee township, which adjoins this city, voted by a majority of 508 votes to retain its saloons. Algonquin, McHenry county, voted to remain wet by 251. Hamers, Kane county, dry by action of the council, voted, by 53 votes to remain dry.

Danville Votes "Wet." Danville, Ill., April 6.—In the township election the city of Danville voted to remain "wet," 7,210 to 5,692.

The five precincts outside of the city will not materially change results.

"Drys" Gain in Nebraska. Omaha, Neb., April 6.—The result of the election held throughout the state today shows that the "drys" gained a victory of about 19 to 3, according to early returns tonight. This was the principal issue in many of the towns today.

Shows Gain for "Drys." Milwaukee, Wis., April 6.—The vote today in Wisconsin cities, towns and villages on the wet and dry question showed a gain for the dry element in number of towns gained, but the larger cities voting on the issue—Madison, Superior, Ashland and Beloit—remained in the wet column.

Elect Entire G. O. P. Ticket. St. Louis, Mo., April 6.—The entire Republican ticket of twenty-eight aldermen, led by A. H. Frederick, for chairman of the board, was elected here today by a plurality estimated at 25,000.

The Democrats had a complete ticket in the field, waged a strenuous campaign, and had expected at least an equal division of the offices. Francis M. Curlee, Democratic candidate for president of the Aldermanic board, who was defeated today, also was an unsuccessful candidate for member of the national house of representatives at the last election.

Today's election was the first under the new St. Louis charter, which abolished the two chamber legislature and centralized executive and legislative municipal authority.

Election of the entire Republican ticket was a surprise even to Republican leaders. At midnight Democratic leaders admitted that the election of any of their candidates was very doubtful, although at this hour only 375 of the 474 precincts had been heard from. These precincts gave Frederick 46,000 and Curlee 27,000.

RECEIVE INTIMATIONS THAT CARRANZA WILL NOT CONSENT

Preliminary Reports Indicate Mexican Leader Will Not Agree to Proposal to Neutralize Mexico City.

Washington, April 6.—Intimations have come to the American government that General Carranza will not consent to the neutralization of Mexico City as proposed and agreed to by the Villa-Zapata forces.

No definite answer has been received to the American note on the subject sent to the two factions but preliminary reports to the state department indicate that General Carranza is unwilling to accept the proposal. It is believed, however, that arrangements may be made for uninterrupted passage of trains to and from Mexico City and Vera Cruz, though a decision on this question also has not been reached by Carranza.

OBSERVES SIXTH ANNIVERSARY OF DISCOVERY OF NORTH POLE

WASHINGTON, April 6.—Rear Admiral Peary, U. S. N., retired, celebrated the sixth anniversary of his attainment of the north pole tonight by giving an Alaska dinner in honor of Secretary Redfield of the Department of Commerce. The speakers who had been selected by the admiral to tell of work the United States government is doing in developing its greatest arctic province included Secretary Redfield, Assistant Secretary Jones of the interior department; Commissioner Hugh M. Smith of the bureau of fisheries and Superintendent Jones of the coast and geodetic survey. Frequent references were made to the fact that the Roosevelt, the staunch ice fighting ship from which Peary made his dash for the pole has been purchased by the government for survey work along the Alaskan coast.

War News Summarized

It is still on the Carpathian mountains that the most bitter fighting is in progress. The Russians have crossed the principal chain in the region of the Rostok pass and occupied two villages on the slopes on the Hungarian side of the mountains. This claim is made by the Russian war office, which asserts that all along this front, the Russians have continued to make progress.

The assertions of Petrograd are not borne out by the Austrian official statement, which declares that in conjunction with German forces the Austrians have captured two strong positions on the heights east of the Laborca Valley and repulsed strong Russian attacks in nearby sectors, capturing 7,570 prisoners. To the north in Poland only desultory fighting is going on in the vicinity of the east Prussian frontier.

In the west, Paris reports appreciable progress for the allies in the occupation of the village of Gussanville, near Verdun, and advances to the southward of that fortress. The headquarters of a German Volger has been taken in the Vosges, while in the West it is asserted that six German battalions recently have been destroyed.

Unofficial reports reaching London are to the effect that British warships again are bombarding Smyrna.

Warnab, German Southwest Africa, has been taken without opposition by the Union of South Africa forces. Lord Kitchener has decided to wait no longer for the workmen of Great Britain voluntarily to take up the task of manufacturing munitions of war necessary for the prosecution of the combat and has appointed a committee to obtain sufficient labor for this purpose.

ASSURES CONSUL FAIR TRIAL WILL BE ACCORDED W. B. COX

WASHINGTON, April 6.—Assurances have been given the American consul at Chihuahua that a fair trial will be accorded W. B. Cox, formerly of Williamson, W. Va., imprisoned by the Villa authorities on the charge of circulating counterfeit Mexican currency. The consul advised the state department today that Cox's case had been committed to a military court for disposition.

General Villa's intention to adopt drastic measures to suppress counterfeiting was reiterated in a statement issued tonight by the Villa agency here.

REQUESTS PROBE OF FIRING ON ODEWALD BY SAN JUAN FORTS

WASHINGTON, April 6.—Investigation of the circumstances under which the American forts at San Juan, Porto Rico, opened fire on the German steamer Odewald and alleged undue detention of the vessel by the port authorities has been requested of the state department by the German embassy here. The embassy today issued a statement charging that no warning shot was fired as a signal for the vessel to heave-to, as is customary in such cases. A report to the treasury department from the collector of customs directly contradicts this, saying a warning shot was fired and was unheeded. Secretary Bryan said today that an investigation began when the incident was first reported but was not completed.

SMALL BODY OF REINFORCEMENTS ARRIVE AT MATAMOROS GARRISON

BROWNSVILLE, Tex., April 6.—Arrival of a small body of reinforcements at the Matamoros garrison was announced by Carranza officials here today. Sharp firing was heard shortly before these reinforcements arrived on horseback but apparently none of the cavalrymen were shot in their dash between the widely separated Villa camps surrounding Matamoros. Aurelio Garza commanded the reinforcements. They were said to have come from Victoria, 200 miles south. The garrison today was busy extending a railroad track along the river toward the end of the entrenchments opposite the American shore. It appeared possible that box cars filled with dirt might be run upon the river bank. Such cars might also shield Brownsville somewhat from bullets.

VICE-CONSUL ESCAPES PRISON. Santa Fe, April 6.—Dr. William Davis, American vice-consul at Guadalajara, escaped imprisonment by Carranza adherents by hiding on the roof of the consulate after an assistant had locked and sealed the doors, according to private letters from Guadalajara received here today. He remained on the roof two days during the evacuation by the Carranza forces.

DENY AUSTRIAN CLAIMS. London, April 7.—(5:04 a. m.)—Austrian claims of successes in the Carpathians contained in official bulletins are denied in a semi-official Russian communication, according to a Petrograd despatch to Reuters' Telegram company. Assertions of victories for the Austrian arms, the Russians contend, are designed to pacify public opinion and revive "drooping courage."

AUSTRIA ANNOUNCES SUCCESS OVER RUSS

CLAIMS TEUTONIC ALLIES WIN IN THE TABORCA VALLEY

Demeanor of Allied Armies in West Indicates a Disposition to Await Outcome of Russia's Plan—to Continue Bombardment of Dardanelles.

London, April 6.—(10:35 p. m.)—Although the French are conducting a sustained and somewhat formidable offensive between the Meuse and the Moselle in an effort to dislodge the Germans from St. Mihiel, the southernmost point of their lines the demeanor of allied armies as a whole indicates a disposition to await the outcome of Russia's gigantic plan to force the Carpathian barrier. Germany is thought to be pouring troops into Hungary even to the extent of weakening her forces in Flanders and tonight Austrian official reports announce the success of German and Austrian troops in the Laborca valley.

Less Talk of Spring Advance. There is less talk in England of the spring advance of the allies in France and Belgium and in increasing appreciation of the task Russia is attempting. This leads to the belief in some quarters that the leaders of the allied armies in the west, reckoning on the heavy cost incident to smashing the German line there, may perhaps seek only to hold their ground, in the belief that the Russians will succeed in invading Hungary, ultimately to join hands with the allied forces working northward through Serbia. Thus, what their opponents regard as the weakest of the Teutonic allies, Austro-Hungary, would be invaded without the loss of life that an attempt to drive the Germans from France and Belgium would entail.

Meanwhile it is argued, the bombardment of the Dardanelles will be continued as the shortest, if the most costly method of crushing Turkey. Reports that Smyrna has again been bombarded lack official confirmation and the absence of news from the Dardanelles is taken by some to mean that important operations are under way, the details of which later will be made known.

British forces, occupying Warnab, German southwest Africa, as officially announced, have taken what is considered the southern capital and the terminus of the railway system.

Committee to Round up Labor. Excluding active military operations, the questions of munitions and alcohol dominate the public mind in Great Britain. Lord Kitchener, secretary for war, took an important step tonight by the appointment of a committee whose duty it shall be to round up labor sufficient to produce munitions commensurate with the tremendous demand and the temperance agitation will doubtless have the effect of increasing the productivity of labor in general. What the government proposes to do with the liquor problem probably will not be disclosed until parliament re-assembles on April 14, but the idea of general prohibition just at present is not seriously entertained. The authorities seem to hope that the desired results will be obtained by voluntary abstinence, coupled with further restrictions on saloons. Bulgaria and Serbia have exchanged notes which on the surface, appear to end the recent border incidents, but official Serbian circles in London insist that the latest outbreak was engineered from Bulgaria and that Austrians, as well as Turks were found among the dead raiders.

SUSPEND LOS ANGELES CHIEF OF POLICE FOLLOWING INDICTMENT

LOS ANGELES, April 6.—Chas. E. Sebastian, candidate for mayor, was suspended as chief of police tonight following his indictment by the county grand jury on the charge of contributing to the dependency of Edith Serkin 17 years old, half sister and ward of Mrs. Lillie Pratt, also indicted on the same charge. Mayor Henry Rose said Sebastian was suspended at his own request.

Bail was fixed for each defendant at \$2,500. The writ for arrest for Sebastian, who is already out on \$5,000 bond on yesterday's indictment was made returnable tomorrow.

Mrs. Pratt failed to furnish bail and was taken to the county jail.

QUINCY MAYOR DIES. Quincy, Ill., April 6.—John Adams Steinbach, for fourteen years Democratic mayor of Quincy, died this afternoon after an illness of several months duration. He was the father of public service in Quincy. His death occurred just fourteen years to a day from the first time that he was chosen mayor of this city.

BILLON OUTFITS MURRAY. Hudson, Wis., April 6.—Jack Dillon of Indianapolis outfitted Billy Murray of Los Angeles in a ten round, no decision bout here tonight in the opinion of the majority of newspapermen at the ringside. Neither fighter showed a marked inclination to force the fighting and the crowd of spectators frequently shouted for more action.

FIND TWENTY-FIVE GUILTY IN TERE HAUTE CONSPIRACY CASE

Will be Sentenced Monday by Judge Anderson—Attorneys Making Preparations for an Appeal.

Indianapolis, Ind., April 6.—Mayor Donn Roberts of Terre Haute and all except two of the other 26 defendants in the election conspiracy case who were found guilty by a jury in the federal court here today had returned to their homes tonight to remain until Monday morning when they will be sentenced by Judge Anderson. In the meantime preparations for an appeal were being made by the attorneys for the convicted men. United States district attorney Dailley, upon whom the burden of the government's case has rested, left the federal building a few minutes after the verdict was returned. He was accompanied by his wife, who has attended all the sessions of the trial. The telephone in his office rang almost continuously all day, persons calling who said they wished to congratulate the district attorney. The trial and the investigation which preceded it has cost the government approximately \$12,000. The expense for witnesses for the trial was estimated at \$5,000.

Motions for a new trial will be filed within a day or two for the majority if not all of the defendants, it was said.

These, it overruled will be followed by motions to arrest judgment. Both motions are regarded in the nature of a formality and following the judgment the defense attorneys expect to apply for a writ of error. This writ must be supported by an assignment of errors and the next step in the legal procedure is the granting of an appeal.

WILLARD AND JOHNSON ARE PREPARING TO LEAVE CUBA

New Champion Will Depart for Key West This Morning—Johnson Declares He Wants to Go to Some Country Where He Is Not Known.

Havana, April 6.—Jess Willard and Jack Johnson, the two heavyweight pugilists who made ring history here yesterday, are preparing to depart from Cuba, Willard, the new champion, accompanied by a numerous party, will leave for Key West early tomorrow morning, but where he will proceed from there, whether to Jacksonville, New Orleans or New York, had not been decided late tonight. Willard was tendered a dinner and reception by the citizens of Havana this evening. The Cubans continue enthusiastic over the new champion and seemingly cannot do enough for the former Kansas cowboy. Everywhere Willard went today, cheering crowds followed him.

Johnson remained in seclusion most of the day. It was reported that he was packing his belongings, preparatory to leaving for Santiago tomorrow and proceeding thence to Jamaica. Johnson, however, denied this and declared he would depart Thursday or Friday for the island of Martique. He discharged his camp followers today. The big black says he is no longer of interest to the public and desires to be left alone.

He declared today that he wanted to go on a long sea voyage to some country where he is not known.

The promoters of the fight today finished the counting and dividing of the gate receipts of the fight. They announced tonight that the gate drew into the box office \$114,000 and that the attendance was 32,000.

The natives of Cuba are still in flight mad. Groups of them were in the cafes and hotels and on street corners today and tonight, arguing about yesterday's battle at Marianna or illustrating awkwardly the various punches delivered by Willard and Johnson. Photographers who took pictures at the ringside did a land office business. Large snapshots of the knockout sold for five dollars a piece, while sidewalk vendors got rid of thousands of post card sizes for ten cents.

CLOSE SCHOOLS BECAUSE OF SCARLET FEVER OUTBREAK

SPRINGFIELD, Ill., April 6.—Secretary C. St. Clair Drake of the state board of health today received word from Cherry Valley, Winnebago county, of an outbreak of scarlet fever there and that the churches and schools had been closed in consequence. Dr. Drake ordered Dr. C. E. Crawford of Rockford, inspector of the board, to proceed to Cherry Valley and investigate.

MEASURE PROVIDING FOR PUBLIC INSPECTION PASSES IOWA HOUSE

DES MOINES, Iowa, April 6.—The bill providing for public inspection of private hospitals, sectarian schools or other institutions where pupils, patients or inmates are received was passed by the Iowa house today by a vote of 60 to 29. The measure was a substitute for the Rayburn convent inspection bill, which caused so much trouble earlier in the session.

The objection to the Rayburn bill was that it was directed at religious institutions more than others. The bill as passed does not mention a word about convent, but its provisions are such that inspections of convents will be made.

EITEL APPEARS READY TO LEAVE

German Commander Bids American Government Officials Farewell

CLEAR WAY FOR CRUISER

Order Pilots Not to Take Ship of Any Enemy of Germany Out of Norfolk or Newport News

ACTION SERVES TO AROUSE BRITISH

BULLETIN. NEWPORT NEWS, Va., April 7.—At one o'clock this morning the German Auxiliary Cruiser Prinz Eitel Friedrich still was at her pier. Officials were in constant communication with Washington, with the battleship Alabama in Hampton Roads and with the Norfolk navy yard.

The Eitel had not moved from her pier at 3:30 o'clock this morning. Even had she departed at that hour it would have been impossible for her to have made the open sea before daybreak as the trip would require more than two hours under the fastest steaming of which the cruiser is capable.

It was believed here virtually certain at that hour that the cruiser would not dash for the capes this morning.

NEWPORT NEWS, April 6.—Shortly before midnight tonight everything appeared to be in readiness for the German auxiliary cruiser, Prinz Eitel Friedrich to leave the Newport News ship yard.

Give Hamilton Farewell. Collector of Customs Hamilton, who had visited the Eitel during the evening, was given a jovial farewell by the officers. The first officer invited him to stay aboard saying: "I wish you would remain and go with us."

Commander Thierichens, it was learned, had bade farewell to American government officials in his visit today to the battleship Alabama and the customs house. The collector in turn wished the German commander and his officers bon voyage.

At 11 o'clock tonight Admiral Beatty, commandant at the Norfolk navy yard, transmitted a radiogram to the custom house here. Collector Hamilton remained at his office awaiting developments. Attaches of the office were keeping in touch with the German ship as closely as possible. That no one knew exactly what were the plans of the German commander seemed apparent. A newspaper boat which steamed up the river, the only point from which the raider could be seen, was not picked up by the German cruiser's searchlights as had been the case on previous occasions. Even the naval tug Patuxent did not flash her lights until the dispatch boat had passed. On board ship there appeared to be activity, but there were few lights and ports were heavily curtained.

Clear Way for Raider. The way for the Prinz Eitel Friedrich to leave neutral waters was cleared today by the United States government. Orders were given to pilots not to take the merchant ship of any belligerent enemy of Germany out of Norfolk and Newport News until further notice. The order went into effect about 11 o'clock today, following a direction by British authorities last night to British captains not to clear their ships after noon of any day while the Eitel's status remained in doubt.

The government's action served to arouse the British authorities considerably when appeals for information as to when the pilotage ban would be lifted met with no explanation. Although no official interpretation of the government order could be procured it generally was understood that the time had expired which had been allotted the Eitel for repairs and that merchant ships of belligerents had been detained in port in order to extend a final period of liberty for departure to the German cruiser.

WHY HAIR FALLS OUT.

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25 cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.—Advertisement.

An Amendment for Library Purposes

A movement is actively under way, backed all over the state by those interested in public libraries, for an amendment to the state law fixing the amount of taxes that can be levied for library purposes. The law of 1872 made it possible to levy a 2-mill tax, and by legislative action in 1910 this was changed to a mill and two-tenths. In a great many instances this amount is inadequate even for the ordinary running expenses, and in places like Jacksonville, where the amount raised is equal to the running expenses because the library building was a gift, there is not sufficient money to provide for any great development. The building is kept in fairly good repair and some books are added each year, but the funds at hand are not sufficient for any great development in equipment or facilities. As indicated, library interests all over the state are taking a very active interest in the matter, and naturally a great many library patrons have written to legislators asking them to provide for some relief in the matter. Next to the schools probably the library is closer to the people than any other institution and library influence is great and beneficial.

The Farm Advisors.

Seventeen counties in the state of Illinois have adopted the plan of adopting a farm bureau and societies which operate in conjunction with it. Many others expect to take up this work and to appoint a farm advisor. The excellent work done by Henry Truitt in Peoria county is the best evidence in the world of the success of this plan. The progressive farmers of Peoria county recognize that it is too good a thing to let go by. It has taken them a long time to crystallize the sentiment, but it will prove to be worth the effort set forth.

All of these seventeen counties are in the northern half of the state. This leads one to conclude that there must be something that promises good returns in having a farm advisor. Much of the most progressive section of this state is in the north half. This has been true for a long while. They have been at this for a good many years and by this time it is well settled that they have prospered encouragingly.

And it is in this half of the state one now finds all the counties that up to date have taken on farm advisors. It is more than a coincidence; there is in it some measure of cause and effect.

Social Activities

Open Meeting of Missionary Society.

The open meeting of the Woman's Foreign Missionary society of Grace church was held at the home of Mrs. John F. Berry, corner of Webster and West College avenues, last evening. About seventy were present and a most enjoyable and interesting evening spent.

The program of the evening first took up the business session of the society. At this time various reports of committees were read and business matters discussed.

Following the business session a paper was read by Mrs. Lowdermilk on "Child Life in the Mission Field."

Miss Kate Blackburn, of Louisville, Kentucky, a missionary in that field, then addressed the society on "Condition of the Mission School as Affected by the Balkan Wars" and gave a remarkably interesting talk concerning her experiences during that conflict. The city in which Miss Blackburn made her home was occupied by the Roumanian army during the second Balkan war. The Americans in the city used the American flag to good advantage and found protection under its bright folds.

Mrs. Bart Johnson then sang a solo which was much appreciated.

An address followed then by Miss Muir, a returned missionary from China. She exhibited many Chinese curios during her talk. Costumes of the people of that country were displayed and the discourse was most interesting to all present.

Following the conclusion of the program a social hour was enjoyed during which time Mrs. Berry, assisted by the other hostesses, Mrs. C. C. Jeffries and Mrs. A. H. Atherton served refreshments.

A generous offering was received during the evening for Miss Muir's work and a subscription taken also for Miss Blackburn's school in far off Bulgaria.

Missionary Society

Holds Annual Meeting.

The annual Thanks-offering meeting of the missionary society of the

Congregational church was held in the church parlors Tuesday afternoon at 2:30 with a large attendance of members. Two missionary stories were read by Mrs. Daisy Charlesworth and Mrs. F. J. Heinel and Mrs. Julia P. Lippincott read the Easter message from the State President of the Missionary Union. The collection was over \$26.00. Following the program a social hour was spent.

East Side Tuesday

Club Holds Meeting.

The East Side Tuesday Club met Tuesday afternoon at 2:30 o'clock with Miss Winnie Wackerle at the Woman's college. Miss Florence Taylor gave a very interesting account of her trip abroad. After light refreshments had been served the members adjourned to the society hall of the college, where the art exhibition is being held and enjoyed the beautiful pictures for an hour.

Knights of Columbus

Give Easter Ball.

One hundred and thirty young people were present last evening at K. C. hall, East State street, for the annual Easter ball, given by members of Jacksonville Council No. 568, Knights of Columbus. Many people from without the city were numbered among the guests. On the committee were John E. Fogarty, Ed. Killian, John J. Ferry and Richard Loneragan. Powers' orchestra furnished music for an enjoyable program of two-steps and waltzes.

Junior Etude Club.

A meeting of the Junior Etude club was held Tuesday evening at the home of Miss Lola Markillie, where plans were talked over relative to the market the girls would hold in the Western Union building. After a social hour the following menu was served: musical nut, bits of stone and a sorcerer, Adam's ale, chip off the old block, vegetable nut and food for the love-lorn.

SENATE WILL DECIDE FATE OF BILLS TODAY

TO CONSIDER FOUR MEASURES TO ABOLISH CAPITAL PUNISHMENT

Dunne May Address Senate in Favor of Abolition of Death Penalty—House to Debate Advisability of Amending the Amending Clause of the Constitution.

Springfield, Ill., April 6.—The fate of four measures abolishing capital punishment will be decided tomorrow by the state senate. Consideration of the four bills, three of which were introduced by Senator Canada and one by Senator Curtis were made a special order of business for tomorrow after the senate judiciary committee last week recommended that all the measures on this subject be killed.

Governor Dunne may address the senate in favor of the abolition of the death penalty. He is particularly anxious that capital punishment be abolished in Illinois, having sent a special message to the assembly asking for such legislation.

Sitting as a committee of the whole the lower house of the legislature tomorrow will debate the advisability of amending the constitution so that more than one amendment to any one section of the constitution can be proposed at any time. The matter is before the house in the form of a joint resolution introduced by Representative Rhinehart providing for the submission of a constitutional amendment which would permit the offering of three amendments to any one section at the same time.

Committee to Meet Tonight. Members of the senate committee appointed to investigate the recess appointments of Governor Dunne will hold a meeting tomorrow night.

CHILD WAS CHRISTENED.

The infant child of Mr. and Mrs. Homer Potter of 112 Park street, James Edward Potter, was christened Sunday afternoon at 4:30 o'clock in an impressive service by Rev. J. W. Miller, pastor of Grace M. E. church. Immediate relatives of both families were present at the service.

OFFICIALS CONSIDER STATEMENT FROM THE GERMAN EMBASSY

Disclaims Responsibility for Loss of Any Neutral Lives on Board British Steamer Falaba.

Washington, April 6.—Government officials took under consideration today a statement from the German embassy quoting an official message from the Berlin foreign office in which responsibility was disclaimed for the loss of any neutral lives on board the British Steamer Falaba, recently sunk by a German submarine.

The claims set up by Germany that the Falaba as well as other British merchantmen were armed and that military necessity made it impossible for the submarine to give any longer time than was allowed for the passengers to escape. State department officials say that the death of Leon C. Thresher, an American lost with the Falaba, constitutes a complicated case. If the German view that all merchantmen being armed are in the category of warships is accepted the rights of neutrals to travel aboard belligerent craft of any kind would be circumscribed. Furthermore, Germany contends that sufficient time was permitted for the escape of the passengers and the intimation is given that if he was not included among those saved there was an act of negligence for which the Germans were not responsible.

DISCOVER NEARLY COMPLETED TUNNEL AT INTERNMENT CAMP

LONDON, April 7.—(2:29 a. m.)—A nearly completed tunnel, through which a hundred German officer prisoners could have made their escape from the internment camp at Pülberds, near Mailen Head, has been discovered by the British military authorities according to the Daily Telegraph. The newspaper asserts that the tunnel would have been finished in another 24 hours. It was fairly feet long and had been dug beneath a garden and under a high wall. The work of excavation had been carried on at night with the aid of fire saws.

Former Illinois students are looking forward with no little interest to the meeting of the Jacksonville Society of the Illinois college alumni, which will take place Saturday evening at 6:30 o'clock at Academy hall.
Dr. Samuel H. Harper of the University of Chicago, an eminent authority on Russia and problems of the Russian people, will speak on that subject, using stereopticon views. A program of unusual merit will add interest to the evening. Letters have already been received from other alumni association of the United States and prominent alumni have also written letters in anticipation of the Jacksonville meeting. It is expected that the attendance will be the largest of its kind in the history of Old Illinois.

IMPROVEMENTS AT THE MASONIC HALL

Substantial improvements greeted the guests of Harmony Lodge last evening when the Masons gathered in the temple on West State street for the Grand Lodge anniversary. The metal ceiling is bright with a coat of white paint, the walls show forth with shades of buff, and surmounting all is the new illuminating system by which two sets of nitrogen lamps, with shaded globes, furnish light to any degree desired. An overhead ventilating system, for some time out of use, has been made effective also. The committee from the lodge who had the work of renovating and refurbishing in charge were J. F. Kitter, R. J. Farris, E. L. Kinney and W. S. Badger.

LYMAN B. GLOVER PASSES AWAY AT HIS HOME IN CHICAGO

Becomes Critically Ill Following Operation—Former Jacksonville Boy Had Risen High in Theatrical World.

(Special to Journal.)
Chicago, Ill., April 6—Lyman B. Glover, representative in Chicago of the Kohl-Castle company which controls the Majestic, Olympic and Haymarket theatres, died at his home, 4590 Oakwood avenue, tonight. He had been critically ill for more than a week. Mr. Glover underwent an operation for a carbuncle two weeks ago. Being in poor health he did not have the strength to rally and for a week he has been under the care of physicians.
Before becoming manager of the local theatres of the circuit following the death of Charles E. Kohl, in 1910, Mr. Glover had been connected prominently with theatrical affairs. For a time he managed for Richard Mansfield. As a dramatic critic of the Record Herald, Mr. Glover was considered the NESTOR of the critics in Chicago. He was Mr. Kohl's assistant for several years. Mr. Glover is 69 years old.
Mr. Glover is the oldest son of the late L. M. Glover, for many years pastor of the First Presbyterian church of this city. The building which once stood where now is the Journal office and which was burned in 1883.

He was familiarly known here as Beecher Glover, as he was named for the famous divine, Dr. Lyman Beecher, but later he preferred to go by the name of Lyman B.

When he was 23 years of age he became partner with the late Captain Horace Chapin in the ownership of the Journal and he was the managing editor for five years during which time the paper was much built up in every department, job printing and all. He showed much versatility and was recognized as a power.

In April, 1874 he disposed of his interest to Mr. Hobert and with Geo. M. McConnell of this city and a Mr. Dandy he went to Chicago and began the publication of a society paper, the Saturday Evening Herald.

Later the paper changed hands and Mr. Glover became for a time manager of the well known Eden Musee and after that was connected more or less with various theatrical enterprises. For years he was musical and dramatic critic of the Chicago Record-Herald and did much work in that line. He was afterward connected with the great Modjeska and with other stars.

CARRYING OUT THE PROVISIONS OF YOUR WILL

After a man is gone, his influence lessens. He is not here to assert himself—not even to protest. The insistence of heirs is often very potent and sometimes contrary to the will's implicit directions. Then it is that the carrying out of a testator's wishes depends upon the executor. Upon a responsible trust company no pressure is availing. It is impartial, unaffected by any other considerations than an exact execution of the will. This is one of the many good reasons why a trust company should be named your executor. The facilities of this company for such service are unsurpassed.

GRAND LODGE HOLDS 75TH. ANNIVERSARY

MASONS PARTICIPATE IN LARGE CELEBRATION LAST NIGHT.

Grand Lodge History is Given By Owen Scott and Local History is Given By Edward P. Kirby—Program Followed By Social Time—Out of Town Members Present.

The celebration of the 75th anniversary of the organization of the Grand Lodge of Free Masons of Illinois attracted a large attendance of brothers both from home and adjacent towns Tuesday night and all who attended were well repaid for their effort. Masonic temple was filled with a fine body of men and they had the pleasure of listening to addresses of more than usual merit. The hall has been recently re-decorated and presented an unusual attractive appearance.

Worshipful Master, Julius G. Strawn of Harmony Lodge No. 3 presided and introduced the various speakers of the evening. The exercises were varied with music of an excellent character. The first was a euphonium solo by Bro. J. Bart Johnson while during the evening a quartette consisting of Brothers M. L. Robinson, A. C. Metcalf, T. H. Rapp and Asa M. Robinson sang most ably and acceptably greatly pleasing all present.

Address By Owen Scott.

The first paper of the evening was presented by Most Worshipful Bro. Owen Scott of Decatur, who gave a history of the Grand Lodge and from his paper a few extracts are made.

The three-fourths of a century of the existence of the Grand Lodge is crowded with deeds which are recorded on high. The destitute widow and orphan have been assisted, many a distressed brother has been aided and the work is still going on. It was in 1840 that Free Masonry first took root in our great state, old Western Star Lodge being the first to see the light of day in Kaskaskia but the lodge and even the town itself and the ground on which it stood have passed away. A hundred years before Illinois became a territory; Illinois prior to being made a state; 50 years in advance of a white settlement at St. Louis; and 96 years before the Fort Dearborn, now Chicago, had a being. Kaskaskia was a thriving village and it is pathetic that the place, the first capital of the state, has been swept away and the ground on which it stood by the remorseless river which gave it birth.

In 1805 it was known as Indiana Territory and the charter was secured in Pennsylvania. Sept. 24th, 1805, a dispensation for the formation of a lodge was issued with James Edgar, first Master, and was signed by Israel Israel, Grand Master of the Grand Lodge of Pennsylvania. On Feb. 3, 1806 the first candidate was raised to the Master's degree; he was Charles Query of "Kentucky".

When Illinois was admitted to statehood in 1818 Bro. Sharrach Bond, the first governor, was also chosen Grand Master of the first Grand Lodge, at Vandalia, the then capital of the state.

The settlements were so far apart and men were so busy that they were unable to make the long trips necessary to attend lodge and consequently the order failed to flourish and it was instead permitted to suffer decline and the grand lodge went out of existence.

In 1840 it was revived with six lodges of which four are in existence. They were Bodey No. 1 at Quincy, organized 1836; Equality No. 2 at Equality, 1837; Harmony No. 3, Jacksonville, 1838; Springfield No. 4 at Springfield, 1839; Columbus No. 6 at Columbus, Adams county, became defunct in 1846 and Par West No. 41, Galva, forfeited its charter in 1852.

First Meeting at 1840.
The present grand lodge was organized in Jacksonville. The initial meeting was held in Jan., 1840.

When it was resolved to proceed with the organization, a committee consisting of W. B. Warren and W. S. Vance of Jacksonville; J. Adams and M. Helm of Springfield was appointed to work up the organization and the meeting for the organization was held in Harmony Lodge No. 3, Jacksonville, April 6th, 1840.

The original officers were: Grand Master—Abraham Jones, Columbus No. 6. D. G. M.—James Adams. G. S. W.—W. S. Vance. G. J. W.—H. Rogers. Grand Secretary—W. B. Warren. Grand Treasurer—A. Dunlap.

Today there are 327 lodges in the state. Illinois grand lodge stands third in the world; England, first; New York, second. The Grand Lodge of Illinois has several distinguishing features: Its ritualistic perfection; the strength of the educational feature of the craft; its system of organic and individual benevolence.

M. W. Master, Brother Alexander Bell of Carlinville followed with an excellent address on Masonry in general. He dwelt on the remote history of the order; its grand achievements in times past and the grand and glorious future which may await it if all are faithful to their trust.

REFORMED MORMONS CHOOSE LEADER

Lamoni, Ia., April 6.—On the 55th anniversary of the founding of the first Mormon church in America, a meeting is being held here today of the twelve apostles of the reorganized Church of Jesus Christ of Latter Day Saints to elect a new president of the church. Joseph Smith, son of the original founder of the Mormon church died in December, and his son, has been acting president. It is believed that he will be the unanimous choice of the apostles to continue to head the reorganized church. Frederick M. Smith, a close student of sociology, and was recently awarded membership in the Academy of Political Science of New York. He is 38 years old, is a graduate of the University of Kansas, and has been active in advocacy of reform in criminal legal procedure. He is a grandson of the famous Joseph Smith who established the Mormon church. When his grandfather removed the Mormons to Utah, his father remained with relatives. The younger Joseph Smith organized the reformed Mormon church, eliminating polygamy, and not affiliating with the Utah church.

Greatest Event in Woman's Life

All human experience looks back to motherhood as the wonder of wonders. The patience, the fortitude, the sublime faith during the period of expectancy are second only to the mother's love bestowed upon the most helpless but most marvelous creation—a baby.

Women are quick to learn from each other those helpful agencies that aid to comfort, that conserve their nervous energy and yet are perfectly safe to use and among these they recommend "Mother's Friend."

It is entirely an external application designed to lubricate the broad, flat muscles and skin that protect the abdomen. It has been in favorable use for nearly half a century and is known to mothers in almost every settled community in the United States who highly recommend it. You will find it on sale in drug stores. "Mother's Friend" is utterly harmless, contains no deadly drugs and yet its influence in the skin and muscles beneath as also upon the network of nerves beneath the skin is very beneficial, very soothing and very helpful. The muscles expand naturally and are not subjected to the unnecessary surface strain and pain during a most trying period.

Get a bottle of "Mother's Friend" today at any drug store and write to us for our instructive little book to mothers. Address: Bradford Regulator Co., 513 Lamar Bldg., Atlanta, Ga. It should be remembered that what is said of "Mother's Friend" is the thought expressed by the thousands of women who have successfully used it and recommended it through two generations.

If You Are Nervous and are losing weight, we recommend that you take **Rexall Olive Oil Emulsion** containing Hypophosphites for a short time. A prescription which we gladly endorse.

DISCLAIMS RESPONSIBILITY FOR INVASION OF SERBIA

Uprising by Bulgarian Irregulars is aid to Have Been Initiated by Turks.

London, April 6.—(6:55 p. m.)—The Bulgarian minister in London gave out the text today of a note from his government disclaiming responsibility for the recent invasion of Serbia by a force described as Bulgarian irregulars. The note repeats in the main what has already been set forth in dispatches from Sofia. It is said that the uprising was initiated by Turks among the inhabitants of that part of Macedonia included in Serbia. These Turks rose in revolt the note says and fled to Bulgarian territory pursued by Serbian troops.

"The Bulgarian frontier guards performed duties conscientiously trying to protect the Serbian posts," the note continues. "This makes it clear that the whole affair was one involving the Serbian authorities and the inhabitants of the affected regions. However, as the insurrection appears to be assuming considerable dimension and might bring Serbian troops in proximity to Bulgarian frontier, Bulgaria requests Serbia to take necessary measures to prevent Serbian troops from firing at Bulgarian posts thus provoking, as past experience has shown incidents with serious consequences."

In official Serbian quarters in London this explanation is not accepted. It is said that official telegrams received today "indicate that more attacks are being prepared on Bulgarian soil; with the immediate object of cutting off the supplies of the Serbian army."

It is added that among the killed were not only Turks but Austrians and that on the bodies of the dead were found documents showing the purpose of the invasion.

TESTIFY LIVE STOCK HAULING IS NOT YIELDING ITS SHARE OF COST

Witnesses Support Roads' Contentions That They Must Have Higher Rates on Livestock in Order to Properly Maintain Lines.

Chicago, April 6.—Witnesses for the railroad testified at the interstate commerce commission hearing of the western rate case today in behalf of the forty-one western railroads' contention that they must have higher rates on livestock in order to obtain sufficient revenue properly to maintain their lines. Livestock is one of a number of commodities upon which the western roads are seeking to increase freight rates to yield them, the railroads estimate \$10,000,000 revenue a year.

Testimony was presented that the hauling of livestock was not yielding its share of transportation cost and that the livestock industry in this country was at a standstill so that the roads could not expect to gain more revenue from increased tonnage.

Supporting the claim that the rates on cattle, hogs and sheep should be increased on an average of three cents a hundred pounds and those on horses and mules five cents a hundred pounds, C. Halle, vice-president of the Missouri, Kansas & Texas road, testified that livestock hauling was the most expensive and least profitable of all freight business.

CHARGED WITH KILLING GOVERNOR'S AIDE

Bowling Green, Mo., April 6.—Preparations have been completed for the trial of Fred D. Wilkins, charged with the murder of Col. Alton M. Walker, former mayor of Louisiana, Mo., and a member of Governor Major's staff, at the session of the circuit court that opened here this week. The mystery which surrounds the shooting remains unsolved. Wilkins was in Walker's office when word was given out that Walker had been shot, on March 2nd. In an ante-mortem statement on March 4th, Walker stated that he had been accidentally shot by Wilkins. In the face of this statement, the coroner's jury recommended that Wilkins, who declined to testify at the inquest, be held for further investigation.

Col. Walker's dying statement, according to Col. Edward W. Bufum, was as follows: "It was an accident. Wilkins had an old pistol."

We were handling it. While it was in Wilkins' hand it went off and I was shot. It was purely accidental and no fault of Wilkins."

Fred D. Steichter, foreman of the coroner's jury, in explaining the verdict, declared the greatest factor which caused the jury to hold Wilkins was the fact that he, being the first man found in the presence of a man mortally wounded, refused to throw any light on the case. The foreman declared that had Wilkins corroborated the dying statement of Walker, the jury would have exonerated him.

A negro fisherman, Frank Washington, testified at the preliminary hearing last month that on the night of the shooting he heard a pistol shot followed by a woman's scream in a house which he described as Wilkins'. A moment later, he says, he saw Col. Walker and another man come out of the house. Further evidence was introduced to show that Colonel Walker was killed in Wilkins' home and not in Walker's office.

EUROPEAN WAR NOTES

Paris, April 6.—(10:30 p. m.)—The following official statement was issued by the war office tonight:

"The day although it rains, was marked by appreciable progress on our part. To the east of Verdun, we occupied the village of Gussainville and the ridges which dominate the course of the Orne."

"Further to the south, we advanced in the direction of Maizery. In the woods of Ailly and Brule, we maintained our gains and carried new trenches."

"In the forest of LePretra, additional progress has been made. It has been learned from prisoners that during the course of our recent attacks in Southern Woivre six German battalions were destroyed in succession. To the southeast of Hartmannsweilerkopf, we carried a small peak which served as the headquarters of the German general. We have advanced beyond this peak and have taken prisoners."

Genoa, via Paris, April 6.—(3:10 p. m.)—The arrival at San Remo of the American ambassador Thomas Nelson Page occasioned the rumor that he had gone there to meet foreign diplomats for a discussion of peace negotiations. The ambassador however, denied that his presence there was in any way connected with the international situation. He explained that he was seeking a few days' rest and Mrs. Page was desirous of a change of air, as they had spent a very trying winter.

The American ambassador announced that he was already to do anything in his power either at Rome or elsewhere, to aid in bringing the war to a close but he was not here for that purpose.

London, April 6.—(7:50 p. m.)—The war office announced tonight that Lord Kitchener had appointed a committee to take necessary steps to provide such additional labor as may be required to make it certain that the supplies of munitions of war shall be sufficient to meet all requirements.

Dunkirk, France, April 6.—(11:10 p. m.)—A Zeppelin balloon appeared over Dunkirk last night coming from the direction of the sea. The dirigible apparently intended to bombard the shipping in the harbor but on being sighted by the torpedo boats patrolling there, turned and retreated to the German lines.

Vienna, April 6.—Via London—(6:25 p. m.)—The war office gave out the following statement today: "Fighting in the Carpathians is developing. Austrian and German troops took strong Russian positions yesterday on the heights east of Laboreza Valley, capturing 5,000 prisoners. In adjoining districts several strong Russian attacks were repulsed with severe losses to the enemy, including 2,500 prisoners. "In southeast Galicia, on the heights to the northeast of Otyina, Russia, night attacks failed. Southwest of Vsele-Diskupie, the Russians attempted on Sunday to cross to the left bank of the Dniester river with the result that two battalions of Russian infantry were annihilated."

MAY ADJUST MAYO DAMAGE SUIT

New Haven, Conn., April 6.—Whether the damage suit for \$15,000 brought by Susie Wahlers against Virginia J. Mayo, the New Haven manufacturer, will be heard today in the superior court, is doubtful, for it is said that an adjustment has been reached between Mayo and the woman's attorneys. The suit brought by Miss Wahlers for maintenance of herself and child, which was being heard March 27th, was suddenly postponed, and it was rumored at that time that an adjustment would be made. Miss Wahlers' child was produced in court, and she testified it was born in 1913, and that Mayo promised to send her \$18 a week but he failed to do so.

Another suit is soon to be heard in Scranton, Pa., in the form of a divorce action by Mrs. Florence Weeks Mayo, who claims that Virginia J. Mayo married her on May 14, 1890, and deserted her in December, 1897. Attorneys for the Scranton woman have visited New Haven, it is said, and were said to have been satisfied with their visit, which indicates to Mayo's acquaintances that this case will also be adjusted. Mayo has declared that he was never legally married to the Scranton woman.

The suicide of pretty Lillian Cook, Mayo's stenographer, last month first brought Mayo into the limelight as a much-married man. A fire in West Rock Park where the girl's body was found, obliterated the underbrush a week after the suicide.

HIGH SCHOOL PARTY AT MEREDOSIA

Professor O. W. Gould and the junior class of the Meredosia high school entertained the senior class at an April fool's party given at the home of Mr. and Mrs. Gould Thursday evening.

The invitations, issued were neat white cards, with turquoise colored umbrellas, with handle tied with gold colored ribbon, attached. The umbrella design was in keeping with the month and the turquoise and gold with the senior's colors. The inscription thereon was: "Meet with us on the night of April Fool, at the home of Mr. and Mrs. Gould."

At the appointed time the seniors arrived and were ushered into the parlor which was beautifully decorated in their class colors. Various games and contests in keeping with the day were entered into which afforded much merriment throughout the evening. During the evening the juniors presented the seniors with a pretty book tied with ribbon of their class colors, wherein was written their life story, which were cherished by the seniors as souvenirs.

The guests were then invited into the dining room which was tastefully decorated in the juniors' colors, king's blue and white also with pink Killarney roses, their class flower. Place cards in keeping with the day in the design of dance caps with bands of king's blue and white colored ribbon were used. A two-course luncheon was served.

At a late hour the guests departed for their homes with words of highest praise for Mr. Gould and the juniors as entertainers.

The senior class is composed of Beulah Butler, Verna Bond, Freda Unland and Fred Munman.

The juniors are, Ada Moss, Edith Brockhouse, Greta Looman, Elmo Galloway and Ernest Nortrup.

SAIDING AND DOING

"all longingly the poor man attlers, 'how I would help poor hungry smiles and chorlies! I'd spend my time unearthing cases where want had ground the poor men's faces; from widow's eyes I'd wipe the briny, and make all orphans' days seem shiny.' And if in after life he gathers a million guilders of his fathers, to help the poor he isn't ready to spend a single maravedi. 'I don't believe in giving money to make the poor ones' lives more sunny,' he mutters, with a stern defiance; 'it spoils their sense of self-reliance. The more you give your hungry neighbor, the less he'll buckle down to labor. He'll think the gods are watching over, to see that he abides in clover. We pauperize the workers willing by handing them the unearned shilling. And then we pay enormous taxes—my tax forever greater waxes—and out of that the town or county should show the poor some kind of bounty.' And other platitudes he mumbles as to the bank he slowly stumbles, all loaded down with clanking roubles which will relieve no poor man's trouble."

QUICK PUNISHMENT FOR DETECTIVE'S SLAYER

Philadelphia, April 6.—Jacob Miller, the young thief who shot and killed Detective James Manely on March 25th, will be put on trial this week. The fellow detectives of Manely and of Harry Tucker, who was fatally shot at the same time Manely was killed, are determined to railroad the youth to the electric chair. Shorn of his bravado, the young murderer has broken down completely and is a physical wreck. In the attitude of the detectives there is something more than a desire to avenge. They feel that if Miller escapes capital punishment, it will be an encouragement to other gunmen who think lightly of flashing their revolvers.

Miller was being escorted to the police station on the night of March 25th by Manely and Tucker, when he tricked his captors into permitting him a moment's freedom. He quickly drew an automatic revolver and sent three bullets into Manely's heart and mortally wounded Tucker. The murdered is only 21 years old.

DON'T USE SOAP ON YOUR HAIR

When you wash your hair, don't use soap. Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulled coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

Mrs. C. J. Wright organized a Domestic Science club in Woodson Wednesday.

A spelling match was held recently in Kokomo, Ind., in which 600 people took part. Twenty words were pronounced and only 52 people spelled them all correctly. Mr. Dial pronounced the same list to the high school pupils here and 11 of 34 spelled all of them correctly and 9 missed only one word. The following are the words: miscellaneous, colander, parallel, niece, privilege, superintendent, lose, principle, separate, disappointment, discipline, principal, necessary, relieve, receive, truly, government, grammar, believe and business.

Mrs. S. T. Watt of Ashland spent Thursday with her aunt, Mrs. Charlotte Aldridge.

Mrs. C. J. Vaughan of Jacksonville was the guest of homefolks here Saturday.

Thomas Henry was a business visitor in Modesto, the first of this week.

J. H. Dial and Miss Mable Hart attended the meeting of the state teacher's association in Normal Friday and Saturday.

Thomas Ramsey and sister, Miss Edna of Peoria, Sunday with their parents, Mr. and Mrs. S. L. Ramsey and family.

Glenn Fisher moved Friday to Dr. J. H. Spencers' property south of the elevator.

Passion week was observed at the M. E. church and the services were all interesting and well attended. The Easter program was given Sunday morning by the primary department of the Sunday school to a large and appreciative audience.

Mr. and Mrs. Lloyd Cox of near Franklin spent last Thursday with the latter's sister, Mrs. William Wade and daughter Rachel Clare, returned home with them and remained until Sunday.

Miss Edna Cook of Passavant hospital at Jacksonville was the guest of homefolks last Monday evening.

Mrs. Sarah Smith, familiarly known as "Grandma," has been very sick the past week.

Miss Myrtle Shelton of Woodson is staying with Mrs. Charlotte Aldridge.

Mrs. J. E. Thompson spent several days last week at Passavant hospital with her sister, Mrs. I. A. York of Roodhouse, who underwent a serious operation for cancer.

Mr. and Mrs. J. A. Carlson attended the funeral of the latter's brother-in-law Richard Whewell at Manchester Sunday.

Mrs. C. R. Short and Miss Mildred Wright attended a Domestic Science meeting at the home of Mrs. Newton Wood in Franklin last Tuesday.

YATESVILLE.

Dr. Sprague of Tallula was in our town Saturday evening to see three sick horses belonging to Mr. Hardy.

Dr. Willerton of Jacksonville made a trip Sunday afternoon to see a sick horse belonging to Herchel Williams.

Asen Hodgsonville and wife and daughter and William Bort all of Sinclair visited Sunday with Henry Means.

Rev. Mr. Kern filled his appointments at Berea Sunday morning and evening.

Herchel Williams made a business trip to Sinclair Sunday morning.

Mrs. Shirldiff, a resident a few miles north of here died April 4th, after a few weeks illness of pneumonia. No arrangements have been made for the funeral at this writing.

Mrs. Boston of Jacksonville and Mrs. Hall of Prentice departed Saturday to North Dakota, where Mrs. Hall was called to see her daughter who was very low with pneumonia.

Clyde Dawson of Texas was here a few days last week visiting his uncle Ben Sage.

CROSS ROADS.

J. W. McAlester bought some sheep from J. Henry Scott Monday.

Mrs. William Paul and children Alice and Theodore are visiting Mrs. Paul in Carlisle the past few days.

The Ladies Aid will meet with Mrs. T. S. Hembrough this coming Thursday.

Mr. and Mrs. Henry Rees gave a dinner for three birthdays last Sunday, April 4th, for their daughter, Miss Sarah and Mrs. Reese's father, Peter Hamell and Mrs. Henry Scott. It is needless to say as to what the menu was for it was plentiful and bountiful.

Mrs. Willis Conley of Orleans spent one day last week with Lucy Scott. Mr. and Mrs. William Vasey were shopping in the city last Friday.

Mr. and Mrs. William Reese, Miss Rhoda Scott and Mrs. Oscar Harmon of Franklin were in the city yesterday in the Reese car.

ATTACKS LAW EXPATRIATING WOMEN MARRYING FOREIGNERS

Mrs. MacKenzie Files Brief in Supreme Court—Argues Congress Cannot Take Away Her Citizenship as Long as She Remains in the United States.

Washington, April 6.—Constitutionality of the federal law of 1907 expatriating American women marrying foreigners was attacked by Mrs. Ethel C. MacKenzie of San Francisco, California, in a brief filed today in the supreme court. She was denied the right to vote in San Francisco on the ground that under the federal law she had lost her American citizenship by marrying Gordon MacKenzie, a subject of Great Britain living in California.

Her argument is that congress cannot, merely because she has entered into the marriage, take away her citizenship as long as she remains in the United States. She points to the states granting full or partial woman suffrage as evidence that a husband and wife are no longer to be considered as politically one with their identity merged into one and that the husband's.

On account of the European war she urges that her citizenship is of increased value.

BRYAN INTIMATES PINCHOT CASE IS STILL BEING DISCUSSED

WASHINGTON, April 6.—Secretary Bryan said tonight he was not yet prepared to make any announcement concerning the refusal of the German government to permit Clifford Pinchot to act in the Belgian war zone in the distribution of food supplies. He intimated that the matter still was being discussed with the German foreign office and that an understanding had not yet been reached.

Mr. Bryan declined to say to what duty Mr. Pinchot now would be assigned.

REPORTS INCREASING ACTIVITY IN BUSINESS

Washington, April 6.—The white house tonight began giving circulation to summaries of business conditions compiled at the commerce department from newspapers and other publications received at the department. All of the reports told of increasing activity and strength in various lines of business.

Will Meet in Arenzville—The Cass county Christian Endeavor societies will hold the annual union rally in Arenzville, April 22 and 24. E. P. Gates of Chicago, who is field worker of the state organization of Illinois, will be in charge of the two-days' session.

Fire at Virden—Fire in the Italian section of Virden threatened that section at a late hour Monday night. The fire consumed two residences and did probably \$3,000 worth of damage.

STORY HOUR TODAY.

Miss Katherine Lewis will tell stories to children of grades one to four inclusive this afternoon at 4 o'clock at the public library. She will tell the children stories of Japan.

ILLINOIS NEWS NOTES.

Mother of Eighteen Pigs—Harvey Lantz, a well known farmer of Holland township, near Shelbyville, is the owner of a sow which has just become the mother of eighteen pigs, thus establishing a record for Holland.

Farmer Awarded Damages—A jury in the Sangamon county circuit court Monday evening returned a verdict giving John H. McClothlin, an aged farmer residing near Virden, \$2,000 damages against Herman Peters, who is said to reside in Madison county, for injuries received last summer, when Peters and a party of friends were touring in the vicinity of Virden, and tossed a beer bottle from the car which struck McClothlin on the head.

Will Have City Carrier Service—The Mason City postoffice is now entitled to the honors accorded offices of the second class and a new government building city carrier service, added clerical help in the office are only a few of the many advantages to be awarded the local office on account of having successfully, and with a good margin, passed the requisite mark, \$8,000. A great part of the success of the Mason City office is due to the enormous mail sent out and received by the big seed corn plants at that place, the greatest in the world, and the rural routes also come in for their share of the honor.

Fire at Virden—Fire in the Italian section of Virden threatened that section at a late hour Monday night. The fire consumed two residences and did probably \$3,000 worth of damage.

STORY HOUR TODAY.

Miss Katherine Lewis will tell stories to children of grades one to four inclusive this afternoon at 4 o'clock at the public library. She will tell the children stories of Japan.

All Wheat—the whole of the wheat—"krumbled," cooked and delicately toasted.

The first breakfast food that gives you all the food value of the wheat—plus satisfying flavor. All the protein, all the phosphates and mineral salts—the things that doctors say all children need.

In the discovery of KRUMBLES, W. K. Kellogg originated a totally new method of preparing wheat—brought out its natural flavor, full and sweet.

If you have not tried KRUMBLES, your first package is waiting for you at your grocer's.

Look for this Signature—

10 cents, in the Kellogg WAXTITE package, which keeps the fresh, good flavor in—and all other flavors out.

WORLD'S MARKET NEWS

MARKET LETTERS

CHICAGO LIVESTOCK.

Union Stock Yards, Chicago, April
6.—Oliver S. Green, Walter
Bros., reports the estimated receipts
for Monday, April 5th:

Cattle—11,000.
Hogs—32,000.
Sheep—12,000.

The light steer run in the trade
today, sold 10 to 15c higher, with
some in the free area, even better
as the short run in the local yards,
found an outlet there today to the
local packers. The run of heavies
was in the same ratio along with the
medium and lighter weights. The
bulk of the run sold 15 to 25c high-
er than last Wednesday. The post-
poned beef call, stimulated by cheap-
er cost at retail, took all the low
priced stock today, and nothing prime
offered, in the 540 car loads to
come here, with 400 car loads in
the free area, a higher market de-
veloped on both sides of the fence,
for some of the strictly choice kinds
in heavy weight steers, which were
15 to 25c higher than the close
of last week, was paid, but sale at
25c advanced were not so very plen-
tiful. Warmer weather caused cat-
tle to take bigger fills and that was
in favor of the selling side of the
trade. The market got under head-
way fairly early in the free area,
but it was 10:30 o'clock before
there was much activity displayed,
aside from specialty classes there
was virtually no premium in the free
area, over the local yards. Prime
fat Kansas fed yearling heifers and
steers sold in the free area at
\$8.60 weight 583 pounds. The
supply of big heavy cattle is scarce,
the hard price pounding they re-
ceived last week cut off that supply.
The quality of the cattle generally
was below last Monday and Wednes-
day. While there are some sections
reporting a moderate supply of
heavy cattle held back, many other
sections report that supply much be-
low normal. After tomorrow there
will be no more Jewish holidays to
come for over a month, and the
kosher trade for New York state
was filled today. Pennsylvania and
Ohio buyers took a moderate quota
of medium and choice quality steers
there was a fair call as well from
the New York buyers, who mainly
wanted handy and weighty lots, but
that supply was so short that it
would scarcely go around. The run
of 11,000 stood 2,000 under popu-
lar estimates and against 16,000 a
week ago. The decrease at the riv-
er markets being due to the severe
pounding of prices there last week,
for the river markets have been
hammered as low as Chicago for
practically a month past, and the
withdrawal of shipping demand from
the west throwing those points in
a badly weakened state. Sales of
best yearlings as a prime lot of heavies
at \$8.35. A small quota of
few heavies gotten at \$8.00 to \$8.30
but it is case to meager pickings.
The spread of \$7.25 to \$8.00 took
the bulk of the days run, and a big
quota \$7.25 to \$7.60. Medium to
good 700 pounds to 110 pounds be-
ing in that class. Below \$7.00 and
down to \$6.50, it was a common ac-
cent little killing kind, and the
poor light and little stock stood
at \$5.60 to \$6.10. Dealings in
the butcher stock line mostly 10
over last week. Fat heifers
and good cows in best demand.
Dairies still under ban, with can-
ners unimproved. Bulls strong to
higher, with a shipping outlet.
Calves steady.

Hogs mainly 5 to 10c lower than
Saturday's average price, while a
top of 7c was made, that was out
of line. The quality was good and
a small part of the offerings sold
above \$6.90, with prices range nar-
row. Detroit shippers had a fair
trade. Small packers good buyers.
Mixed packing—\$6.65 to \$6.80.
Medium packers—\$6.80 to \$6.85.
Poor to good heavy—\$6.40 to
\$6.50.

Rough heavy packing—\$6.15 to

Light weights—\$6.60 to \$6.97c.
Select packing and shipping—
\$6.75 to \$7.00.
Pigs and throwouts—\$2.50 to
\$6.50.

The run of sheep was smaller than
anticipated, and hardly enough for
the demand. Sheep and yearlings
strong. Lambs 10 to 15c higher
than the firm close of last week.
Colorado lambs sold
at the highest level since 1912, and
reached 10.25, and western shorn
lambs \$8.50. Native ewes \$6.00 to
\$7.50. Shorn bucks \$4.60 to \$5.50.
Native lambs \$9.10 to \$9.25. Shorn
native lambs \$6.00 to \$7.00. Colo-

JACKSONVILLE STATE HOSPITAL HAS HISTORY OF STEADY GROWTH

Dr. Edward A. Foley, Assistant Superintendent, in Paper at Dorothea Dix Memorial Gives Facts in Life of Insane Institution.

At the first annual commemoration of Dorothea Lynde Dix Sunday afternoon, Dr. Edward A. Foley, assistant superintendent of the institution, gave a historical paper in which were embodied the story of the origin and growth of the Jacksonville state hospital. Dr. Foley gave due credit to Miss Dix, spoke of the first legislative enactment, described the hospital's beginnings and mentioned the various steps in its upbuilding. He gave enumeration of the superintendents from Dr. J. M. Higgins, the first to Dr. E. L. Hill, who succeeded to the headship of the hospital the first of last month. Dr. Foley's paper follows:

Much of the credit for the establishment of this institution is due to Miss Dorothea L. Dix, whose whole life was devoted to alleviating the condition of the insane and other unfortunate of various classes. In 1846 she visited Illinois and made an inspection of the jails and almshouses throughout the state. As a result of her investigation, Miss Dix appealed to the Legislature, urging that a hospital for the insane be established in this state. This bill was presented to the 15th General Assembly in January, 1847, and on March 1st of the same year the act was passed, and signed by Gov. Augustus C. French, appropriating money for the establishment of the institution which was then known as the Illinois Hospital for the Insane, located at Jacksonville.

Twenty days from the approval of the act, the board of nine trustees met in Jacksonville with seven members in attendance. Col. John J. Hardin having lost his life while leading his regiment at the battle of Buena Vista a month previous. W. W. Happy was chosen to fill the vacancy. The trustees at this meeting arranged to purchase 160 acres of land, one and one-quarter miles south of the court house in Jacksonville, and proceeded to form plans for the building which was originally intended for 250 inmates. The first patient was admitted Oct. 15, 1851, from McLean county. During the first year 138 patients were received.

The First Superintendent.
The first superintendent was Dr. J. M. Higgins, who served until June 4, 1853, when Dr. Andrew McFarland of New Hampshire succeeded him. Dr. McFarland held the position seventeen years with distinction and satisfaction to the people. He resigned in 1870 on account of ill health.

Dr. McFarland was succeeded by Dr. Henry F. Carriel of New Jersey, who, upon taking his position, began a complete renovation of the original structure, making many additions and placing the hospital on a high plane among institutions of its class. Dr. Carriel filled the position twenty-three years, when he was succeeded by Dr. J. F. McKenzie, of LeRoy, who served two years. Dr. McKenzie was succeeded by Dr. Walter Watson, who served until July 1, 1897, when Dr. F. C. Winslow, a former assistant physician, was appointed superintendent. At the expiration of four years' service, Dr. Winslow, on account of his high attainments and knowledge of institutional affairs, was chosen to open the new asylum for the incurable insane near Peoria. Dr. Joseph Robbins, of Quincy, was appointed his successor, July 1, 1901. At the end of one year he resigned his position. Dr. H. B. Carriel was appointed to succeed him, and continued in office until March 1, 1915, when the present superintendent, Dr. E. L. Hill, was appointed.

Institution Buildings.
From time to time land has been purchased until the institution now owns 353 acres. The architecture of the old buildings is not as modern as that of those which have been built more recently, but for comfort and for carrying out the purposes for which the institution was established, it is quite satisfactory. The other more important buildings connected with the institution are the infirmary, carpenter shops, power and heating plant, laundry, supply building, cold storage building, kitchen, conservatory, two stables and a milk house. The whole cost of the buildings is estimated at about \$800,000.

The erection of an employees building has enabled us to use rooms formerly occupied by attendants, for patients, increasing the capacity of the institution, about 150. The present capacity of the institution is 1800.

In the Future.
Two hospitals have been built in connection with the main building, one for male, and one for female patients, each hospital being completely equipped with hydrotherapeutic apparatus, which has been found of great service in the care and treatment of a certain class. "I sincerely hope that in the years to come, those who come after us will continue to put forward their best efforts so that this institution, the first in Illinois, will always occupy an important place in the history of our state."

FUNERAL NOTICE.
The funeral of Mrs. Richard W. Driver will be held this morning at 11 o'clock at the family residence in Arzenville. The remains will be brought to Jacksonville by the afternoon Burlington and interment will be made in the East cemetery, where a short service will be held.

ONE-MAN SYSTEM FOR STREET RAILWAY CARS

CHANGE TO BE MADE SOON, SAYS SUPERINTENDENT MISER

One Operator Will Serve as Motorman and Conductor—Cars Will Have Entrance at Front with "Pay as-You-Enter" Arrangement—Revenue Shrinkage Claimed.

The Jacksonville Railway & Light Co. will shortly change its local city lines to the one-man method of operation, according to statement of Mr. Miser, the general superintendent, Tuesday afternoon. The change will be made as soon as the necessary alterations can be made, as the company's intention is to use the cars now in operation on the Street Railway lines. Later, especially built cars for one-man operation may be purchased, intimated Mr. Miser.

"By changing to the one-man car we will not do so at the cost of either comfort or safety of our patrons," said Mr. Miser. "Under the new plan the one trainman will act both as motorman or conductor. Cars will make near side stops on the paved streets as at present and entrance and exit will be at the front, left hand side of the car. Upon entering the car the passenger will deposit his fare in the fare box and secure his transfer if desired. The rear platform will be closed and will serve as a smoking compartment for men. Upon desiring to leave the car the passenger will signal to the motorman in charge by using the electric push button and exit will be made by the front door.

"I believe that our Jacksonville patrons will find the new system as desirable from the standpoint of service and comfort as that under which we are now operating."

Reasons for Change.
Shrinkage in revenues brought about by the increase in cost of materials and labor in recent years, together with competition offered by the pleasure automobile and lastly by the jitney bus are some of the reasons given by the company for the change. The fact that fully a half hundred other cities in the United States the size of Jacksonville and larger, included among which are some time operated on this plan is also cited in proof of its practicability.

"In making the proposed change we do not feel that we are offering a less efficient street railway service," said the superintendent yesterday, "for we have carefully studied the results of this method of operation in other cities of larger size than Jacksonville and it has been our observation that where the plan has been given a thorough approval of the riding public. Neither does the proposed change imply that the city of Jacksonville is not entitled to the best possible street railway service consistent with local conditions, for that is exactly what we believe we will offer under the new plan."

"Present economic conditions growing out of the steady increase in cost of production together with competition offered by the gasoline automobiles have made necessary the adoption of some such innovation as the one-man-car for the protection of the street railways in this country, and particularly in cities in the size of Jacksonville. In this city, for example, the local street railway company has not paid a dividend in the past five years. The high cost of living" era has hit the company hard. Cost of materials, labor and all the factors that go to make a street car ride have increased. Improvements that have followed the development of the industry have added to the cost of production. But the income to the company from a street car ride has remained the same. The same five cents that purchased a street car ride in the horse car days when production costs were low buys a ride today.

Jitney Competition.
"Then followed the competition offered by the pleasure automobile and lastly the jitney bus. Street railway operators have stood by and watched their gross revenues drop to a point far below their expenses with apparently no relief. To increase the fare is an economic impossibility, to decrease the service rendered is not desirable. The only alternative remaining, in our judgment, is to economize on the operating cost by reducing the number of trainmen required to operate the cars. By using the one-man type of car this item will be materially reduced. We propose, however, to pay the one man operating the car a better wage.

"Yes, this plan will naturally reduce the number of our trainmen, who will be eliminated by this system. But they will be given employment in some other department for we appreciate the fact that the men now operating the city cars are valuable employees."

VANDALS AT NICHOLS PARK.
Monday night some miscreants broke into the large pavilion at Nichols park smeared the floor and broke some window glass. It does seem strange that any one could be so lost to shame and decency for that is a place for the people to enjoy and the board have not knowingly or intentionally wronged or injured any one. The pavilion and all else at the park is intended for the enjoyment of all and the persons who would do any damage there are mean indeed.

The board will pay a liberal reward for information that will lead to the arrest and convictions of the evil doers.

FORMER RESIDENT WRITES ABOUT MEXICAN TROUBL

Interesting Letter From George Hamilton to His Brother James of This City.

Nearly every one in Jacksonville will remember George Hamilton, who lived here so long, was at one time deputy county clerk and filled various positions while here. He is now a resident of Brownsville, Tex. and to his brother, the brave, blind veteran, he recently wrote a letter from which the Journal is kindly permitted to make some extracts: Brownsville, Tex., March 28, '15. Dear Brother James:

Of course you have heard of the expected battle between Villa (pronounced Vee-yaa) and Constitutionalist forces to be fought across the river here. About 11 o'clock yesterday the rip-rip of the machine guns began and the fight lasted until about five p. m. They fought too; the Villa men tried to ride their horses over the breast works and were mowed down like grass. Report says about 600 were killed and wounded.

Two hundred wounded have been brought to this place and a large livery barn in the second block north of us is full of them. People who go there say they are a merry lot and make no complaint about their troubles. Over 5000 horses were shot. They are all armed with Mauser rifles and they will carry two or three miles. Two persons were shot here in town. They were at least two miles from the fight. The U. S. soldiers here are patrolling the river. Henry and some young men hired a man to take them over there and when they went over close to the river an American officer stopped them and made them come back.

In all there must have been twelve to fifteen thousand men fighting and more coming. They have been at it since noon today. Nearly all points along the river are quarantined and soldiers turn people away above the ferries unless they have a permit from the post commander at Fort Brown.

The great danger we may be in is if the Villa forces drive the Carranza forces into Metamoros and street fighting begins. Nafarette says he will hold the town or die. A young man here who was in the U. S. army in the Philippines and also in coast artillery told me a colored man of Metamoros offered him and Henry fifty dollars a day in gold if they would come over there and work a machine gun. The boys said they hadn't lost any Mexicans and wouldn't take the chance of being shot. I have not heard how things went today. Villa's men are all veterans and expect to take the town. A vessel at the mouth of the Rio Grande wanted to land 1-600 Carranza men on U. S. soil but the colonel wouldn't let them do it. This town is full of the smallpox, so the doctors say.

I hope you are well and enjoying yourself after such a rigorous winter. I sent some papers which I hope will contain some interesting reading.

With best wishes,
Your brother,
George T. Hamilton.

SELL RARE AND FAMOUS BOOKS

New York, April 6.—Sale began today of the famous books, manuscripts and rare prints owned by the late Brayton Ives, the millionaire banker and civil war general. When General Ives died recently he left \$1,100,000, most of which he bequeathed to Yale university. The will is being contested by his widow, Mrs. Eleanor B. Ives and their daughter, Miss Winifred Ives, who were cut off in the will. The widow and his daughter claim that General Ives was so embittered against them that he was not in the mental condition necessary to legally frame a will. Many heirs are mentioned in the will. The bequest to Yale will be the chief objection of the widow and daughter.

ATTENDANT IS ARRESTED.

Herbert Quinn of Pond, Ill., who for the past week or so has been employed at the Jacksonville State hospital as attendant, was Tuesday afternoon arrested by Deputy Sheriff Harry Norris. Quinn is wanted by Peoria authorities for larceny. He was taken to the jail where he will await the arrival of officers from Peoria.

HEADACHE, COSTIVE, BILIOUS—"CASCARETS"

Tonight! Clean Your Bowels and End Headaches, Colds, Sour Stomach.

Get a 10-cent box.

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver, delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.—Advertisement.

MORTUARY

Beiber.

William Edward Beiber, the infant son of Mr. and Mrs. William Beiber of 324 West Walnut street, died at the home of his parents Tuesday morning at eleven o'clock. Death came to the little one swiftly. He was taken ill Monday evening with the croup. This rapidly developed into pneumonia and the child passed away the next morning. He is survived by his parents and one brother, Lloyd Herman Beiber. He was born Feb. 16, 1914.

The funeral arrangements will be announced later.

Conn.

Mrs. Ruth Conn, wife of E. V. Conn, died at her home in Emerald, North Dakota, Monday afternoon at three o'clock. Death was due to pneumonia.

Mrs. Conn was formerly Miss

Ruth Hall, daughter of Mrs. Margaret Hall of Prentice. She lived in Jacksonville for several years until going to North Dakota about a year and a half ago. She was well known here and her friends will be shocked to learn of her untimely death.

She survived by her husband, a two months old child, her mother and one brother, Frank Hall of Prentice. Mrs. W. E. Hall of this city is an aunt of the deceased.

Mrs. Conn was born in Prentice about twenty three years ago. She was a Christian woman and a member of the Central Christian church of this city. She also belonged to Rebecca lodge No. 13 of Jacksonville. She was married Feb. 2, 1914 at the home of her aunt, Mrs. W. E. Conn. She has since resided in the north-west.

The funeral will be held at two o'clock Friday afternoon at the Prentice church in charge of Rev. Myron L. Pontus, pastor of the Central Christian church.

Sweeney.

Word has been received in the city of the death of Mrs. Emily Sweeney at Raton, New Mexico, April 3rd. She was born in this city October 2, 1842 and will be remembered by some of the residents of this city as an old resident here. The body arrived in this city this morning at 1:55 a. m. over the Alton from New Mexico. Last services will be held this afternoon at one o'clock at the First Baptist church in charge of Rev. J. G. Little of Havana, Ill. Interment will be made in East cemetery.

Mrs. William Lucas of Edge Hill Road received a message Tuesday announcing the sudden death of her father, George W. Flora, who was found dead at his home near Lafayette, Ind., Tuesday. Mr. Flora had been ill for some time and until recently was a patient in a Lafayette hospital. As he had improved considerably and had recently returned to his home, the news of his death was quite a shock. Besides the daughter, Mr. Flora is survived by a son, William Flora, in Peoria.

Mrs. Lucas left this morning for Lafayette.

Harnett.

A. H. Atherton of this city has received word of the death of his sister, Mrs. G. W. Harnett at Mountain Valley Springs, Ark., of pneumonia. Her home was in Springfield, Ill.

Mary Alice Atherton Harnett was the daughter of Dr. and Mrs. A. Atherton, and was born at Pleasant Plains, Ill., September 1, 1864, and was married to George W. Harnett April 17, 1884.

She is survived by her husband, George W. Harnett, and two daughters, Mrs. Edith Bailey and Miss Edna Harnett, both of Springfield; also four brothers, A. H. Atherton of this city, August, Edward and William Atherton, and two sisters, Mrs. Elma Zane and Miss Mabel Atherton, all of Pleasant Plains, Ill.

Mrs. Harnett was member of the Second Presbyterian church; also a member of the Cheerful Workers' circle of King's Daughters.

Funeral arrangements will be announced later.

ASHLAND.

Mr. and Mrs. William Cunningham of Flora, Ill., are visiting Mr. and Mrs. Perry Holmes and other relatives here.

Mr. and Mrs. Henry Isaacs of Sinclair and Mrs. D. Lee Harding and daughter of Jacksonville spent Sunday at the home of S. C. Latham.

Mrs. D. S. Gailley made a business visit to Jacksonville Friday.

William Dorand has been on the sick list the past week.

Miss Ma Li Hi, a Chinese woman will give an address at the M. E. church on Sunday evening, April 11th.

ROAD DISTRICT OFFICERS
OF MORGAN COUNTY ELECTED

New Clerk and One Commissioner Chosen in Each Road District of the County.

Tuesday was not only a busy one politically among the politicians of Chicago, Springfield, Peoria and the larger cities but was also a day filled full of action among the road districts of Morgan county. A clerk and one new commissioner was chosen in each of the thirteen districts into which the county is divided and in some of the districts the fight for election was a warm one.

In most all of the districts a good vote was cast. This was accounted for in a large measure by the favorable weather and roads but in some instances this would not wholly account for the interest taken in the outcome of the vote.

In District No. 6, where Richard Leake defeated Arthur Acom for commissioner and in District No. 10, where F. J. Schofield was elected commissioner and Earl W. Sorrels, clerk, the largest votes were cast that have ever been recorded in those districts even in presidential years. In No. Six 228 votes were cast while in No. ten 302 voters cast their ballots.

The following is the complete vote by districts:

District Number One.

For commissioner, J. W. Moore, 157; Norman Dewese, 122. For clerk, F. G. Walsh, 297; Carl Weakley, 60.

District Number Two.

For commissioner, Walter J. Houston, 99; John Kennedy, 1. For clerk, W. H. Petefish, 93; John Daniels, 1, and A. W. Petefish, 1. In this district the question of whether or not poll tax should be abolished was decided. The voters decided not to abolish the tax, 56 voting against abolishment and 40 voting in favor of such action.

District Number Three.

For commissioner, Walter Beddingfield, 101; George Hacker, 95. For clerk, Louis Smith, 200, no opposition.

District Number Four.

For commissioner, Henry Detner, 169; John Eskew, 135. For clerk, E. C. Colston, 169; Alvin Shumaker, 142.

District Number Five.

There was no election held in road district number five on account of the fact that this district employs but one commissioner, necessitating an election but once in three years.

District Number Six.

For commissioner, Richard Leake, 130; Arthur Acom, 96. For clerk, R. B. Marshall, 207; no opposition.

District Number Seven.

For commissioner, J. M. Smith, 159. For clerk, A. D. Arnold, 119; Eric Lamb, 40.

District Number Eight.

For commissioner, L. B. Trotter, 121; William Settles, 19. For clerk, C. M. Strawn, 135; no opposition.

District Number Nine.

For commissioner, Charles S. Watt, 235; Daniel Kinney, 125; Samuel H. Hembrugh, 39. For clerk, G. W. Pender, 196, O. B. Reese, 131, Thomas Donahue, 23, J. L. Hocking, 22.

District Number Ten.

For commissioner, Fred J. Schofield, 178; Nicholas Conlon, 134. For clerk, E. W. Sorrels, 177; Charles E. Reynolds, 124.

District Number Eleven.

For commissioner, John T. Osborne, 88; Frank A. Knust, 69. Marshall Daniels, 52; James A. Mellor, 35. For clerk, Thomas Irlam, 180; no opposition.

District Number Twelve.

For commissioner, Marion Spies, 147; W. M. Wood, 65; A. M. Calhoun, 12. For clerk, Walter R. Newby, 115; Gus M. Seymour, 106.

District Number Thirteen.

For commissioner, J. R. Bostie, 293; J. C. McLain, 155; George Alderson, 125. For clerk, G. B. Turner, 294; W. H. Rohrer, 228; J. G. Weller, 49.

Roads District Officers of Morgan County:

District Number One.

F. G. Walsh, clerk; J. W. Moore, John M. Stice and W. T. Richardson, commissioners.

District Number Two.

W. H. Petefish, clerk; Walter J. Houston, W. W. Young and E. J. Henderson, commissioners.

District Number Three.

Louis Smith, clerk; Walter Beddingfield, George G. Smith and Herman C. Lippert, commissioners.

District Number Four.

E. C. Colston, clerk; Henry Detner, T. E. Herman and Rina Steinberg, commissioners.

District Number Five.

Louis Hinners, clerk; Josiah Butler, commissioner.

District Number Six.

Robert B. Marshall, clerk; Richard Leake, Herman Burmeister and Albert Wilbur Jewsbury, commissioners.

District Number Thirteen.

G. B. Turner, clerk; J. R. Bostie,

Fred Spies and E. M. Narr, commissioners.

MUSIC AT GRACE CHURCH
WAS ARTISTICALLY GIVEN

The music at Grace M. E. church Easter Sunday was of unusual interest. Miss Jessie Lynde Hopkins sang in the morning "The Cross" by Harriet Ware. Miss Hopkins is a noted contralto and she gave the number a beautiful interpretation showing fine dramatic ability and tone coloring. In the evening the chorus of thirty voices under Prof. Henry V. Stearns gave "The Resurrection" by Charles Monteyn Manney. The chorus was assisted by Miss Hopkins, contralto; Miss Ima Berryman, soprano; Miss Rachel Morris, mezzo-soprano; Miss Deane Obermeyer, contralto, with Mr. Stearns as organist. The chorus revealed the splendid training they had received by Prof. Stearns, their attacks, shading and ensemble work being most praiseworthy. The choir leader also gave special pipe organ numbers before and after the morning and evening services showing much skill and ability. Rev. J. W. Miller preached a most forceful sermon both morning and evening.

MISS MARY HOBAN RELEASED
BY CIRCUIT JUDGE GREEN

Orders Freedom to Jacksonville Woman from Asylum Because He Wanted "to Give Her a Chance."

Miss Mary Hoban of this city, who has been on trial at Peoria for the past two days was given a release from the Peoria asylum in the circuit court Tuesday afternoon. The Peoria Star in speaking of the case, says:

"Because he wanted 'to give her a chance,' Circuit Judge Green today ordered the release of Miss Mary Hoban of Jacksonville, Ill., from the Peoria state hospital. The rule was entered upon a writ of habeas corpus.

Miss Hoban's victory amounts practically to the granting of a parole which will be terminated if she molests or annoys persons in Jacksonville who procured her commitment to the asylum at Jacksonville from which she was transferred to the South Bartonville institution. The woman is directed by the court to report in writing once each month to the probation officer of Peoria county.

Judge Green's decision came after the introduction of evidence which took part in two days. A half score of witnesses from Jacksonville appeared for each side in addition to attaches of the Peoria state hospital. The judge did not pass definitely on the question of the sanity of the woman although the testimony tended plainly to establish the fact that she is a paranoiac.

"It seems to me that the doctors are not absolutely certain with reference to this case," said Judge Green. In my judgment a person of sound mind in those environments (meaning the asylum) for a period of years would lose their mentality. She may be afflicted but I would hate to feel that there was no hope for her. I am going to give her a chance. It will be up to her parents to see that she is not permitted to annoy the doctors or any one else. I will have you draw up an order for the conditional release of this party and she shall make a report in writing herself to the probation officer of this county. If she violates that order or interferes with the doctors or annoys any of the citizens of Jacksonville I will revoke this order and have her returned."

The courts said that if the terms of the parole were complied with the woman would be freed absolutely by the end of the year.

Dr. Ralph T. Hinton, superintendent of the Peoria state hospital, testified today for the people that Miss Hoban was a paranoiac and that it would be to the best interests of the woman and of society to keep her in an institution for care of the insane. He described paranoiac and asserted that cases of violence committed by such defectives were numerous. Giteau, who killed Garfield, and Schrang, would-be-assassin of Roosevelt, both were paranoiacs, Hinton asserted. He had declined to release Miss Hoban on parole.

Mamie Goodwin, a friend of the Hoban family, Mr. and Mrs. Patrick Hoban, parents of the petitioner and Clara Hoban, her sister, declared in effect that Mary is sane and would do no injury to anybody if released.

Miss Clara Hoban said that her sister had prepared a wedding dress but did not say to whom she expected to be married. The persons interested in keeping Miss Hoban in the asylum, said she had a delusion that she was to become the wife of Dr. F. A. Norris, a physician, and Frank Leach, a banker of Jacksonville.

Dr. Wm. H. Weirich of Jacksonville made an examination of Miss Hoban at the personal request of Governor Dunne, he said. Weirich called her a paranoiac and said she was possessed of the delusion that Dr. Norris and Leach had placed her in the asylum. She threatened to "kill" Norris and Leach when she got out, Weirich asserted.

Born to Mr. and Mrs. Mannel Baptist of northeast of the city, Tuesday, a daughter.

PLANS FOR ERECTION OF ILLINOIS CENTENNIAL MEMORIAL BUILDING

Plans for the erection of an Illinois Centennial Memorial Building will take definite form in the next few days when a bill will be introduced in the general assembly providing for the purchase by the state of the four square blocks of ground adjoining the present capitol grounds on the south. Along with the measure providing for the acquiring of the site will go a companion bill making a preliminary appropriation for the proposed Centennial Memorial Building.

In order to hold the legislative appropriations to a minimum, it is planned to erect the new building in sections. A limited appropriation will be asked of the present legislature, with the idea of providing only for the preliminary work at the present time.

It has been suggested that the drawings for the new structure be made and approved and that a colonnade or some other striking bit of architecture be constructed preparatory to the dedicatory exercises, which will be a feature of the Illinois Centennial celebration to be held in 1918. The remainder of the building could be added at a later date, when the state is in a better condition financially to meet the expense.

Business men of Springfield have signified a willingness to subscribe to the expense but that was deemed beneath the dignity of the state and a bill for the funds to acquire the ground and erect the structure will soon be prepared and presented.

BILLY CLIFFORD COMING

"Believe Me" has been under the eyes of envious managers ever since its first presentation to the public. Varied and many have the compliments been of the men who are ever on the alert for productions that will get them the houses. Managers who have seen this show realize instantly the merit of it as a money-getter and since the opening, the offers have been made numerous times for its purchase outright from the present owner. Aside from the desire to purchase, local managers have been trying to get this attraction for their houses, and those who have been successful in procuring it can be congratulated upon securing something entirely worth while. After a consideration of this fact, attesting the delight with which those interested in the theatrical business have hailed the piece, and showing the big possibilities they can see in it, take a chance and when the show visits your city next Friday night, give it the greeting which it deserves and there is no question but that you will be of the opinion that it is a production of unusual merit, presented by the best balanced company ever in the town, and well worthy of the favorable and unanimous praise which has been bestowed all along the line.

A lady band and orchestra is carried with the company. The lady band will play a free concert on the streets at 3:30 p. m.

SIGNIFICANT FACTS OF SUNDAY AT PHILADELPHIA

The final day of the Philadelphia campaign proved to be the greatest that Billy Sunday ever experienced in his evangelistic career, says Rev. H. W. Myers. He preached for more than five hours in the four services to about 60,000 people. The doors were opened at 3 a. m. At four o'clock there were more than 1,000 persons present. Mr. Sunday began to preach at 9:30 to men and women estimated to number 10,000. At 12:30 he preached to 12,000 men. At the close of this meeting the greatest service for women was held at three o'clock; 18,000 women crowded into the tabernacle. So great was the crush that twenty-seven cases were sent into the local hospital. The climax came at night when 21,000 men filled the auditorium, violating all fire laws. They sat in aisles, reserved sections and rostrum.

With a draft for \$51,136.85, representing the present total of the free-will offering of the people of this city, Billy Sunday bade good-bye to the crowd and out into the night the train faded away and "he was gone." Pittsburgh gave Mr. Sunday \$46,000 for the 26,000 names of those who "hit the trail." Philadelphia gave him \$51,136.85, and he passed in the names of over 43,000 who walked down the sawdust trail.

It will take a box car to take home the gifts that were made to Mr. Sunday, the value of which will be several thousand dollars. The largest gift was a sealskin coat valued at \$1,200. Next was a set of silver from employees of the Pennsylvania Railroad worth \$700; and a grandfather's clock, given by the choir, valued at \$500.
